With reference to H.E. Commander's orders I beg to submit the papers relating to Police Supt.s & asst Supt.s which I obtained from the Revenue Secretary. The sanctioned scale in the 2nd Grade of Supt.s is three. Mr. Wetherall is the only person now in it* and the I.G. of Police proposes to put in messrs Amir Hassan, Hawdin & Dunning. Mr. Amir Hassan as will be seen from his C.R. papers the Revenue line though he may be temporarily by a loser thereby. In this case (and the Police is not so well manned that it can afford to lose an officer of Mr. A. Hassan's type) Mr. Varya Roy Iyer will get a lift to the 2nd Grade of Supt.s superior to This will leave 3* vacancies in the first class of asst. Supt.s which by seniority should fall to messrs V. N. Gopalayyar, Ballard &

* Since appointed Town Magistrate.

FROM THE VAULTS OF

ind Ahmed Ali. Mr Ahmed
Ali was appointed Sub. pro.
tem on 17-3-94 & has not
been confirmed upto date
while messrs Bowring and
G. Krishna Rao were
appointed pukka on 29th.
November 1894. This is the
reason why the Compts.
Ahmed Ali
- Ller has put ~~his~~ name
below that of messrs
Bowring & Krishna Rao.
If as reported by the I. G.
& Police messrs Ballard
& Ahmed Ali are promoted
to the 1st grade of asst.
Supts and if the Commr
further directs Mr V. N
Gopalacharyar to be retained
in the Police & given his
place in the 1st Grade
the list of Police Supts
& asst Supts will stand
thus.

The latest Grad^{n} list is later than this. It was issued in April 1895. There was no promotion list of 1st July. No one being prepared & seen by 1st Commissioner as the demand has not been finally approved as having regard to the many changes that have taken place since July the demand has directed it issue with alterations upto 30th Sept. 1895. Mr Amir Hassan has expressed his preference the Revenue line. Mr V. N. Gopal has been made in the 1st class

It is possible Mr S. Amir Hassan may change his mind if he knows he cannot get 100 Rs extra in the P.W.D. line as Mr Ghalieyan has been ordered to be made Ex. Asst Comr as it was reported that his vacancy had been permanently filled up. If Mr Amir Hassan prefers the Rev. line & there is a vacancy in the P.W.D. & Mr V. N. G has always been in the P.W.D. & the order making him Ex. Asst Comr has not yet been carried out, he may be asked whether he prefers the P.W.D. or Revenue line, and final orders may be passed regarding these two officers after receiving their replies.

I am surprised that Mr. Syed Anwar Hasan should have gone to far as to ask to be released at Hasan his native town in such a hilly and private ground.

I am not at all in favour of the policy of employing officers in their native places. To set an example I would at once transfer him to some other District.

The suggestions recommended by the S.P. may be sanctioned. As for Mr. Papaiah's petition is incomplete. I would like to see all the connected papers.

He appears to have completed his service, but I am doubtful that he attained his fifty fifth year. Probably it was intended to retire him after the furlough granted to him, but he was rejoined. He may be put to a Treasury charge

Copy of correspondence connected with the report of the D. General of Police regarding ex. V. N. Sobolieyan is submitted to the 2nd. Councillor, as required in his minute of 25.9.95.

The original papers have not yet been found at the Asiatic Office.

The long memorandum in which the Inspr General describes the failings of Mr Sobolejan in the Ansikere theft case appears to me quite incomplete and if I had to deal with it now for the first time I would have found it necessary to call upon Mr Sobolejan

his explanation.
But this makes does
not require discussal

that Mr Sohan Lal gain

that a sufficient reason

with that letter the Govt

an application of
Mr Sohan Lal asking

Somehow or other the

he & Mr Sobhal Jan

I do not find it
easy to say what

the best way of getting

seems to me to be
to treat Mr Sobhal Jan

I still hold to my opinion that there is no need for an agent in the Independence & that Mr Cockburn shall proceed out for execution work — To avoid making other arrangements — I would allow Mr Cockburn to remain in the Secretariat till the return of Mr Cockburn shall from leave and then report for orders as extra agent Cons. which results in this number being increased by one — No one from the New Dept needs to be sent — & I have no objection to Mr Ameer Hassan going to Delhi but his name must be removed from the Gazetted list.

From,

The Inspector General of Police in Mysore.

To,

The Chief Secretary to the Govt of Mysore.

Sir,

I have the honor to forward herewith for the orders of Govt Mr V. N. Gopalacharya's application dated 18th October 1893 for a transfer to a department in which the duties are less exacting and active than in the Police. I beg to send also copy of his previous application dated 22nd July/92 which, he appears to have addressed to the Deputy Commissioner, Shimoga and which

was not received in this office.

2. I regret to state that during the time I have been at the head of the Mysore Police department of the State, I have noticed that Mr. Gopalaraja has, by his apathy and want of application, mismanaged the Police in the Districts of Chitaldroog, Hassan and Shimoga and the memorandum herewith sent will show how he has bungled over a clear case of theft on the Railway, which, with a little vigor on his part, could have been easily detected.

3. I would recommend that Mr. Gopalaraja may be removed from the Police department at the earliest convenient opportunity.

I have the honor to be

Memorandum on the Arsikere Theft Case.

1. D. Sreenivasa Rau alias Hanumanthaiah of Sivaram Pett, Mysore (a brother of Mr. D. Naukal Rau) travelled with his wife by the Up mail train from Mysore to Birur on the 18th September 1893.

2. When the train reached the Arsikere station, the carriage in which they were seated

seated had to be

detached

3. Sreenivasa Rau

therefore had his

things removed to the

platform of the station

and he asked Points-

-man Ramanujalu to

assist him in securing

a fresh carriage for him

4. Pointsman Ramanu-

-jalu offered to help

him, and accordingly

with the aid of another

lad named Mahomed

Aliff, removed the things

to a new Compartment,

while

while Sreenivasa Rau an
his wife stood on the
platform looking on.

5. When all the things
were removed, Sreenivasa
Rau and his wife
got into the new Com-
-partment and on
examining their articles,
discovered a small
teak wood box Con-
-taining jewels valued
at ~~Rs~~ 923-9-0 missing.

6. Sreenivasa Rau tried
to jump out of the
train, which had
just begun to move
by

by that time, but he could not do so as the door of the carriage had been locked. He consequently screamed out that Pointsman Ramanujalu had run away with his jewel box.

7. The Police Duffadar of the Arsikere station who was on the platform on duty overheard the cry and went after Pointsman Ramanujalu. The latter was traced to the Shunting Jamadars house.

8. Ramanujalu denied the

the theft. but the duffe-
-dar took him before
the station master.

9. The station master
is said to have told
the duffédar not to ar-
-rest Ramanujalu as
he himself had not
heard of the theft.

10. Thereupon the duffe-
-dar let go the Point-
-man without searching
either the house of the
Shunting master or that
of the Pointsman.

11. On reaching the
next station (Banawar)
Sreenivasa Rau wired
to

8

to the Arsikere station
---
master at 9.35 P.M to
mating the occurrence

12. The telegram must
have reached the A to
station a few minutes
afterwards, ie within a
most an hour after
the occurrence.

13. The Assistant Supe
intendent of Police Mr
Jofalingar states in
his weekly diary endi
30th September 1893 that
intimation was not
given by the station
master to the Police til
12-20 Am. and adds
that

that by this delay ample
time was given to the
accused, and his
accomplices the Shunting
master &c to Conceal
the property

14. Mr. Gopalsinger
has apparently not
realized the fact that
the Duffedar was made
aware of the theft im-
mediately after the
occurrence, and had
failed to hold a
search for the stolen
property in the houses
of the Shunting master
and the accused,
in one or the other of
which

which the stolen proper
was most certain to
have been discovered

15. Although informa
tion of the occurrence
was actually given to
the Duffedar on the nig
of the 18th September 1893,
the case was not taken
on the file till the
Complainant, breaking
journey at Birur, re-
turned to Arsikere by
the Down Mail train
on the morning of the
19th September 1893 and
pressed his Complaint
in person.

16. The First Information Report purporting to have been prepared on the 19th September 1893 is stated to have reached the Assistant Superintendent in Banga-lore on the 21st idem.

17. In the occurrence Report submitted to this Office on the 21st September 1893 the Assistant Super-intendent said that he had directed Inspec-tor Subbiah to proceed at once to Arsikere to take up the investigation and he also promised to go himself to enquire into

into the Case

18. But as a matter of fact, Inspector Subbu does not seem to have been sent at all to the spot as Mr. Gopalenga in his weekly diary already referred to. alludes only to the special diaries submitted by the Duffedar between the 20th and the 24th September 1893 and the Progress Report fails to give the details of the investigation, if any, made by Inspector Subbiah.

why not clear this pt?

19. On receipt of the

First

First Information Report
in this Office disclosing
a sad state of affairs
in the Railway Police, the
Assistant Superintendent
was asked to state —
when he went to the
spot and why the in —
-formation of the occur —
-rence had not reached
him on the 19th September
1893.

20. In reply to this
the Assistant Superin —
-tendent in his letter
no: 62 dated 28th September
1893 stated that the
Inspector, name not given
had informed him
of

of the occurrence in —
person at 9 P.M. th
19th September 1893, but
that as he had to
attend to two cases o
theft within the limits
of the Bangalore City
station and a case of
assault brought again
one of the Constables on
the Hindupur line, he
could not proceed to
Arsikere before the 22nd
September 1893.

21. The Assistant Super-
-intendent proceeded to
Arsikere on the 22nd Sep-
-tember and remained
there on the 23rd & 24th

and

and returned to Bangalore
on 25th September 1893.

22. The diary of the
Assistant Superintendent
does not show what he
himself did after going
to the spot: neither does
it show why he permit-
-ted the duffedar to
continue the investigation
even after he went there;
nor why the inspector
who gave him information
of the occurrence on the
19th was not sent to the
spot at once to conduct
the investigation.

23. The details of the
investigation and the
evidence

evidence collected in th
Case were not duly re-
-ported through the Fort
-nightly Progress Reports
Mention of this Case wa
for the first and the
last time made in th
Progress Report for the
Fortnight ending 31st
October 1893 in the follow
words: —

"Investigating Officer -
Inspector Chainsing — "Pois
"-nan Ramanjalu who
"removed the jewel box
"was arrested and place
"before the Arsikere Talu
"Magistrate who discharg
"him on 20.9.93 for want of
"sufficient evidence"

24. The Case was one

which

which under the Inspector Generals' Circular No 424-29 dated 16th May 1887, called for personal action on the part of the Assistant Superintendent of Police inasmuch as the value of the property stolen exceeded Rs 500/-

Published at page 99 of the Police Fortnightly Circular dated 1st June 1887 Vol: I No: 2.

25. Considering that in the present case a charge of serious theft had been made against a Railway Employee and that there was no competent Police Officer on the spot to take up the investigation, it was doubly necessary that the

the Assistant Super-
-intendent should have
himself gone to the spot
without loss of time by
the first available train
on the 20th September
and taken effective mea-
-sures to discover the
stolen property.

26. But the Assistant
Superintendent not only
did not go personally
to the spot till 3 days
after he heard of the
occurrence, but also failed
to make prompt and
efficient arrangements
for the successful investi-
-gation of the Case. His
apathy and inaction
have

have led to the escape of the offender.

27. The two cases of theft which the Assistant Superintendent says prevented him from going to Arsikere to take up this important case were of a trifling nature. Those cases had been reported so long ago as the 2nd and 9th September 1893 respectively and by the time the information in this case reached the Railway Assistant Superintendent of Police, the detective efforts of the Police in those cases must have been well

well neigh exhausted.
As stated by the
Assistant Superintendent him
self in his letter No: 75.
dated 18th October 1893
one case was reported
in 'C' form to the Magi
-trate, while the others still
remains undetected.
In the same letter the
Assistant Superintendent
mentions another case
in which he says he
held partial enquiry
This was the case of theft
complained of by one
Jamsetji on the 20th
September 1893. The prope
lost in this case was -
Rs 40/- in Cash and a
Currency note for Rs 20/-
am

and the Assistant Super-
intendent says further
on that he left the case
to be handled by the
Inspector as he had to
go on the Hindupur -
Line to enquire into a
case of assault commit-
ted by a Constable
upon a passenger.
So what the Assistant
Superintendent did in
the theft-case complained
of by Jamsetji was -
practically of little Conse-
quence while important
work was being neg-
lected at Arsikere -
he went to the scene of

" Common assault on
the Hindupur line when
as the event proved, h
had only to dispense
with the services of the
constable and refer the
complainant to the
Magistrate for redress
as the case was non
cognizable.

28. Any Police Officer
with ordinary Common
sense ~~&c~~ would have
seen that a case of
heinous theft like the
one at Arsikere which
had been shamefully
mismanaged by the local
Police was much more
important than a case
of

of simple assault and
required his immediate
presence at the scene
of occurrence. He has
utterly failed to realize
the heinousness of the
case or the disgraceful
conduct of the duffedar
when complaint was
made.

29. The Assistant Superintendent concludes Para 4 of his Weekly Diary already referred to with the following words:—

"As there was no immediate "chance of recovering the property "and as the detention further of the "accused would be illegal, the Ins- "pector placed the accused before "the 2nd class Magistrate with the "available evidence. The Magistrate "discharged the accused for want of "sufficient evidence."

30. It must be observed that the investigation of the case was actually left in the hands of a Lance Duffedar. It is not known at what stage of the investigation Inspector Chain Singh appeared on the scene and what he did towards the discovery of the stolen property. In the absence of the discovery of any portion of

of the property lost, it is not easy to conceive upon what evidence the Assistant Superintendent permitted the accused, (Rama-nujalu) to be placed before the Magistrate with a charge sheet.

31. The Assistant Superintendent states that the delay of 2 days in the receipt of the First Information Report in this case was suitably noticed by him by fining the Duffedar and that the "the gross neglect and the initial blunders made by the Duffedar" in conducting the investigation were visited with degradation of the Duffedar to a 2nd class Constable.

32. But as a matter of fact the Assistant Superintendent received first information the next day after the occurrence

through late in the evening and
the true cause of failure
of detection in this case
must be attributed to
the Assistant Superintendan
not realizing his respons
-bility and the sad
want of energy shewn
by him in not taking
timely action towards
the detection of the stolen
property.

I beg leave to state that of late, I have been often ailing getting fever every now and then both in camp and at Head Quarters.

Having joined the Police Department in January 1888, I have worked for 4½ years to the best of my ability at Chitaldrug, French Rocks and twice at Hagari. A change to the Revenue line, I believe, will somewhat enable me to recruit my health.

As Mr Nagesa Rao has applied for 6 months leave I request I may be
